From the *Food, Family and Friends* cookbook shot for Stanley Tucci.

Master chef and food photographer and stylist [Francesco Tonelli](#) has been very busy on a lot of new projects. Below is an image from *Food, Family and Friends*, a cookbook he has been shooting for actor Stanley Tucci to be published at the end of the year. Tonelli did all photography and styling.

Tonelli's chocolate image below was shot as part of a series for the Web site of a Colombian chocolate company called Bittersweet. All photography and styling was done by Tonelli.

Popovers below photographed for a cookbook with The Culinary Institute of America on *Modern Buffet Presentations*. Tonelli shot at Pairings Palate and Plate, a restaurant in Cranford, New Jersey, owned by Carol and Vincent Cline, the authors of the book.

The popcorn below is a personal spin for Tonelli that comes from the second cookbook he just completed shooting with Daniel Humm, chef of Eleven Madison Park. The book presents some of the best and freshest ingredients from farms in the New York area.
